Dear Kris

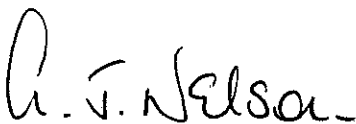

**Hang Gliding and Paragliding Mt Victoria and Macalister Park**

I refer to the Letter of Understanding we have with regard to aerial activities in the above mentioned areas.

I am advised by my staff that no requests or advice of activity have been made for the best part of 18 months, and I am seeking clarification as to whether or not we should still have this agreement.

I would be grateful if you would respond as to potential future use of both the Mt Victoria and Macalister Park Areas.

Yours sincerely
